

Your life. Your choice. Welcome Home.

Skilled nursing and rehabilitation services

At Advena Living of Bonner Springs, our beautiful continuing-care community is centered around compassionate care for our community members and respect for their personal choices – all in a comfortable, safe environment that feels like home.

We offer skilled nursing services, short-term rehabilitation and post-acute care to restore mobility and autonomy, so you can return home as quickly as possible. For long-term rehabilitation or assisted living to function better and enjoy life more fully, we consider it a privilege to care for those who need support in caring for themselves.

Our community is designed to pave the way for your best life – whatever that uniquely means for you. We invite you to see what makes Advena Living of Bonner Springs an exceptional place to call home.
