

Your life. Your choice. Welcome Home.

Skilled nursing, rehabilitation and long-term care

At Advena Living on Tenth, our beautiful continuing-care facility is centered around compassionate care for our residents and respect for their personal choices – all in a comfortable, safe environment that feels like home.

Our care options include home-like skilled nursing and in-house rehabilitation services to restore mobility and autonomy. For long-term assistance to function better and enjoy life more fully, we consider it a privilege to care for those who need support in caring for themselves. We have a special relationship with the Veterans Administration of Northeast Kansas and have proudly provided care for more than 20 years to those who have served.

Our community is designed to pave the way for your best life – whatever that uniquely means for you. We invite you to see what makes Advena Living on Tenth an exceptional place to call home.

For more information and to schedule a tour,
please contact our Admissions Director.
