

# Your life. Your choice. Welcome Home.

## Skilled nursing, rehabilitation and long-term care

At Advena Living on Woodlawn, our beautiful community is centered around compassionate care for our community members and respect for their personal choices – all in a comfortable, safe environment that feels like home.

We offer skilled nursing services, short-term rehabilitation and post-acute care to restore mobility and autonomy, so you can return home as quickly as possible. For long-term rehabilitation that helps you function better and enjoy life more fully, we consider it a privilege to care for those who need support in caring for themselves.

Our community is designed to pave the way for your best life – whatever that uniquely means for you. We invite you to see what makes Advena Living on Woodlawn an exceptional place to call home.

**For more information and to schedule a tour,  
please contact our Admissions Director.**
